Presented by the Playwrights Alliance of Pennsylvania and Colonial Park UCC at 5000 Devonshire Rd. Harrisburg, PA 17109

Titters, tales, and treats! Join us for a fundraiser Friday November 7 at 7:00 PM and Saturday November 8 at 2:00.

The live performance will be 75 minutes of short plays by local playwrights.

Tickets are $18 and include the show, dessert and a beverage.

Since this is a fundraising event, bring some extra cash to get tickets for a 50/50 raffle and purchase a souvenir cookbook. The book is titled "Just Desserts", and features a variety of treats, some of which will be featured in the plays. Great for your kitchen and as a gift for holidays.

This year's performance includes work by Barb Trainin Blank, Cindy Rock Dlugolecki, Diane Hetes, Barrett Rhoads, and Bill Savage.

Tickets are on sale now. To get your, text 717-439-8065 or email playwrightsallianceofpa@gmail.com. Your message should include a name, how many tickets, and which performance. The price is the same at the door the day of the performance. Cash, credit, and checks accepted for tickets and books but cash only for the raffle.

Unlike movies, plays have no rating system. While these plays are appropriate for most playgoers, ask at the number above if you have questions.

Connecting

We Are The Keystone Conference

Learn more at https://psec.org/keystone/

Any group, especially newly forming groups, are more successful when they have a clear mission to draw them together. A proposal for a mission focus for the Keystone Conference, should it pass …

People of the Table:

Celebrating and energizing ministries that end hunger

What do we mean by a "mission focus"?
Our faith calls us into action. The Local Churches, Associations, and Historic Conferences of the United Church of Christ in Pennsylvania are involved—and will continue to be involved—in hundreds of efforts that seek to offer mercy, be of service, advocate in the public square, and build a just world for all. Among all of these laudable projects, we see a need for the newly-formed Conference to unite around a specific direction for our outreach in the coming years.

A mission focus for the new Keystone Conference United Church of Christ offers us a way to concentrate our efforts in this initial season, amplifying our voice and helping to bring us together. We propose that this initial mission focus, People of the Table, will be a Conference priority in our founding years (2026-2028), and that the Conference Board might choose either to continue this focus or to determine a fresh mission focus to pursue in the subsequent period of Conference life.

Why choose ending hunger as a mission focus?
Ending hunger is a goal that unites our diverse Local Churches and Associations. Across the proposed Keystone Conference, settings of the United Church of Christ area already engage in ministries to feed our neighbors: food pantries, community dinners, soup kitchens, canned good drives, neighborhood gardens, and political advocacy are just a few examples. We do this work because the Gospel mandate is clear: "feed my sheep," said Jesus: "I was hungry and you gave me something to eat." We are people of the table, uniting around our Eucharistic tables and then welcoming our neighbors around our social hall tables. This identity is particularly strong in Pennsylvania, a commonwealth containing over seven million acres of farmland, where many Local Churches take pride in our agricultural heritage. While our members may vary in their perspectives on many social issues, we believe that ending hunger is a priority that brings us all together.

Keystone Conference has a new logo

Earlier this year, even before the vote in July by the 35th General Synod to recognize the merger of the four Pennsylvania Conferences to create the Keystone Conference, the Keystone Working Group decided that we needed a logo that everyone would easily recognize. They gave members of all the UCC churches in Pennsylvania the opportunity to submit a design for a logo. Entries had to be submitted by May 15th. The four Conference Ministers narrowed down the 24 designs that were submitted to four that were presented to the Transitional Board of Directors at their first meeting on August 1st. They chose a keystone design divided into fourths with different colors representing the four existing Conferences that were coming together to form the new Conference. The Cross and Orb of the United Church of Christ is overlaid on the design. Some changes were suggested for the font, and the final logo was approved by the Board at its September meeting. The colorful keystone design was submitted by George Mamas. George is originally from Philadelphia, the son of Greek immigrant parents. He graduated from the Art Institute of Philadelphia (1993), and has since worked in various advertising and marketing agencies in the area. He is the proud father of Caroline, Phoenix, and Persephone, and devoted husband of Rev. Leslie Mamas (pastor, Olivet-Schwenkfelder UCC, Norristown). In his free time, you might find him playing hockey, practicing his martial arts or at a comic convention. Besides the letterhead shown here, there will be several variations: horizontal or vertical, with or without "United Church of Christ." There will be guidance on how each version is to be used. Also look for Keystone "swag" as we get closer to January 1st and the official launch of the Keystone Conference.

News from Ye Olde Devonshire Thrift Shoppe

The Thrift Shop has become your place for everything Christmas! If you need holiday clothing, ornaments for your tree, decorations for your house, etc. etc. etc. The Thrift Shop has it! Ornaments range from ten cents to many dollars There are Santas galore. Need a sleigh for your decor or a wreath for your door? The Thrift Shop has it.

The Thrift Shop has made donations this month to Salvation Army, The Crop Walk, Neighbors in Need, CPUCC, and paid for the permit for the replacement shed which houses the mower and other equipment.

There is always a constant need for volunteers to help at the Thrift Shop. Set up and tear down times require many hands. At least two people must be in the parsonage and two in the shed area. One person should be available to help in the garage to accept donations and sell items from there. Pricing and sorting requires many hands. So you see, the Thrift Shop needs all the volunteers it can get. We are so thankful for the "regulars" who show up to work every time the Shop is open. Any time you have an hour or two to help, show up and we will find something for you to do. Any questions or comments can be directed to Helen Ferguson , Linda Bender or Priscilla Fledderjohn.

The Thrift Shop will be closed Thanksgiving week (November 26, 28, and 29). It will also be closed for the Christmas season, from December 21, 2025 through January 6, 2026.
It will reopen January 7, 2026.

A Word from Pastor Cindy,
Senior Minister

November always turns our hearts toward gratitude. It's a season of giving thanks — and, yes, a season of giving and asking.

You've likely received information from the church inviting you to prayerfully consider your commitments for 2026.

Before anything else, I simply want to say **thank you**. I'm deeply grateful for this congregation — for the many ways you live out Christ's love, serve with open hands, and share hope in our community.

While the recent years have not been easy, and we have lost some very dear members of our body, you continue to be a people of hope, courage, laughter, and grace — building one another up and walking forward in faith.

It remains one of my greatest joys to be your pastor. I trust that the same Spirit that has carried us this far will continue to strengthen and inspire us for the journey ahead.

Blessings to you all – and thank you.

HAPPY THANKSGIVING!

Pastor Cindy

Meet The Members –Sue Graft

The United Church of Christ has always been a big part of Sue Graft's life. Growing up in Mt. Pleasant about an hour east of Pittsburgh, Sue attended St. Paul's UCC in the town of Trauger. It was the church where her parents met and were married and where Sue wed her husband, Tim. Her three sisters were also married at St. Paul's.

It was the church where her mother had been the organist for 50 years and her father served on the consistory and taught Sunday School.

Attending church was a real family affair. Not only did the family participate in services, but also Sue's grandparents attended as well.

"After Sunday services my grandparents would join us for Sunday dinner," Sue recalls. "I think this weekly ritual demonstrated their priorities of God and family. I am inspired by my parents."

After graduating from high school, Sue received a Bachelor of Science degree in Home Economics from Seton Hill College in nearby Greensburg.

In 1983, Sue and Tim moved to Harrisburg, and she wanted to continue worshiping in a UCC church. After talking to member Mary Fraunfelter about CPUCC and the Sunday School program, Sue decided to join. It didn't take long for Sue to get involved at CPUCC.

"I am currently serving as the Service Deacon on council. I have been involved with the Lay Support Ministry, and I serve on the board of Half Day Preschool as treasurer. I have been a Sunday School teacher. I enjoy volunteering at the thrift shop. It is fun working with everyone with the common goal to make the store succeed in supporting the various missions," she said.

Sue feels volunteering with the thrift shop is a great way for CPUCC to become a part of the lives of the local community. Volunteers often hear from people how much they like the thrift store, some people come on a weekly basis to not only shop but socialize too. To Sue, attending Sunday morning services is the best way to end the week and start the coming week.

"The worship hour gives me time to reflect on everything good in my life and give thanks to God for all that our family has received," she said. "It encourages me and helps me focus on the right things when looking at the week ahead. It also gives me joy that I am worshiping with others that share the same faith."

KATHY NEELY CPUCC CROP HUNGER WALK

Thank you to everyone that walked and donated money for the CROP Walk on October 19th, it was a beautiful day. **Total amount raised $1,925!**

...Continued from previous page

When asked about a favorite memory while attending CPUCC, Sue says she especially enjoys the Hallelujah Chorus on Easter Mornings.

The Grafts are the parents of two sons, Jonathan lives in Daytona Beach, Florida and Jason and his wife, Desirae, and children Gracie (2 1/2 years old) and Beau (3 months old) live in Taylorsville, North Carolina. Six years ago, her mother, Nancy Momeyer, moved from Mt. Pleasant to Harrisburg (Kindred Place) to be closer to family.

Sue worked outside the home as a customer service representative for Harris Savings Bank before making the decision to be home full-time with her sons. Later she went back to work in a part-time position at Hershey Chocolate World in the Create Your Own Candy Bar Factory.

In her spare time, Sue enjoys gardening but not dealing with the many animals that seem to enjoy eating the plants that she feeds and waters faithfully. But as her husband tells her, "They have to eat too."

Since retiring, Sue takes advantage of the various fitness classes at Central Penn Fitness Center. In the fall, the couple attends the Penn State Nittany Lions football games and in the spring, they go to Clearwater, Florida to see the Phillies and get some much-needed sun.

Sue Graft has been a lifelong member of the United Church of Christ and has given back so much in service. She is a wonderful example of how faith and tradition can provide peace and joy in life.

GENEROSITY

Dreaming God's Dream

NO GIFT TOO SMALL, NO DREAM TOO BIG.

We all have dreams. There are many kinds of dreams – nighttime dreams, daydreams, and imagining types of dreams. Dreams are a popular topic in music – to name just a few of my favorites, "I Like Dreamin'" (Kenny Nolan), "Dream Baby" (Roy Orbison), and "Daydream Believer" (Monkees). God often plants dreams in our heads and hearts, and although some dreams may seem unattainable, we should remember that we "can do all things through Christ who strengthens us." (Philippians 4:13). We are also reminded in John 15:5 of God's constant presence and strength: "I am the vine; you are the branches. Those who abide in me and I in them bear much fruit, because apart from me you can do nothing." When God calls us to an activity, God will also provide the means to accomplish it. So, don't fear the big dreams God may give you!

Deciding on a Financial Commitment

While there are many ways to support the congregation, our annual campaign provides a chance to think in a particular and prayerful way about the choices we make with our money in support of the church.

Your financial gifts make possible all the programs, projects, ministry and worship experiences that define our community life.

Deciding how much of our income to donate to charitable organizations can be difficult. Our faith tradition lifts up the model of a tithe, a gift of 10% of one's income to charity. There are a variety of ways to think about a tithe. Some view a tithe as 10% of one's income given to the church. Gifts given over and above that 10% are offerings to other meaningful organizations. Others think of a tithe as giving 5% of income to the work of our congregation and 5% to the work of other charities.

We see tithing as the goal in our practice of abundant generosity.

Some in our community already tithe, providing 5% or more of their annual income to our congregation. We are grateful for the leadership and example giving at this level sets.

Many more of us are on the journey towards abundant generosity.

As you think about your resources, could you take a step towards greater sharing? That might look like giving half-a-percent or one percent more of your income in the coming year.

CONSIDER YOUR PLEDGE AS A PERCENT OF YOUR MONTHLY INCOME.

Annual Income	Monthly Income	2%	3%	4%	5%	10%
20,000	1,667	33	50	67	83	167
25,000	2,083	42	63	83	104	208
30,000	2,500	50	75	100	125	250
35,000	2,917	58	88	117	146	292
40,000	3,333	67	100	133	167	333
45,000	3,750	75	113	150	188	375
50,000	4,167	83	125	167	208	417
60,000	5,000	100	150	200	250	500
75,000	6,250	125	188	250	313	625
100,000	8,333	167	250	333	417	833
125,000	10,417	208	313	417	521	1042
150,000	12,500	250	375	500	625	1250
200,000	16,667	333	500	667	833	1667

On average, Americans give 2% of their income to charity.
Giving even 1% more of annual income to charity would be transformative for our congregation and other organizations doing good in our community.

Dreaming God's Dream
NO GIFT TOO SMALL, NO DREAM TOO BIG.

In Recognition

Do you want to recognize an important person in your life, living or deceased, and say "thank you" to God for them while at the same time furthering CPUCC's ministry and mission? For each $15 sponsorship, a notice will be placed in that week's bulletin. You can sign up and pay for dates on-line or dates can be reserved and paid for by contacting the church office.

Rejoice, Renew, Revive Capital Campaign

Our Capital Campaign *Rejoice, Renew, Revive* has now raised $496,195.95 through September 2025 (which includes $10,000 donated by the family of Vi Bretz). Virtually everything that has been donated has already been spent on various projects to repair, maintain and/or improve our amazing church home. There is a current available balance of $31,463.22, most of which will be used to cover the parlor renovations. Thank you for all of your support!

So Blessed!

Thank you for your continued gernosity!
Our Thursday, October 2, CPUCC Panera fund-raiser raised $289.32 for our Building Fund.
We estimate that at least 50-60 CPUCC disciples and friends attended. Everyone had a great time and enjoyed delicious food.
Thank you to everyone who purchased a discount card for Boscov's Friends Helping Friends event on October 22. We earned $150 for the Building Fund from this easy fundraiser. Hope you got some good bargains when you shopped!
Thank you for your support!

Gift Cards Galore

Nine years ago we started a new fund-raising program for CPUCC, offering gift cards to a wide variety of stores, restaurants, movie theatres, hotels, and other venues. This is a great way to help with Christmas shopping and raise money for our church at the same time. CPUCC earns between 4% and 16% of the total value of your purchase, depending on the merchant. Many of your favorite stores, restaurants, hotels, and movie theaters participate in this exciting program, including Amazon, Olive Garden, Best Western, and many, many more! These make great gifts for Christmas or to use for yourself! Order forms are available in the office, and also via e-mail. Orders will be accepted through noon on Sunday, **November 23** for delivery in early December. Payment is due at the time of the order (checks payable to CPUCC). Questions can be directed to Cindy Gnech at cindygnech7@gmail.com or 717-991-4124. Thank you for your support!
See form here: https://tinyurl.com/CPUCC-GiftsGalore-2025

Oh, I give gift cards anyway, this way the church gets something for my purchase. Awesome!

Decades Dance

We're just beginning the busy, fun, yet exhausting holiday season, with Thanksgiving, Christmas, and New Year's all happening within a five-week period. January can seem like such a letdown! But **this January CPUCC is offering a great way to beat those post-holiday blues, with our first ever Decades Dance. It will be held Friday, January 23 from 6:30 – 9 p.m. in Fellowship Hall.**
The "decades" refers to the type of music to be played, beginning with the 1950's and continuing through the 2010's. We can use your help building the playlist of music to be played that night so we're sure to have your favorites! Please send song requests to Lisa Nybeck at lnybeck@comcast.net with "Decades Dance" in the subject line, then note the name of the song, the artist, and the decade the song is from, no later than December 15.

Tickets will be $5.00 per person and snacks will be available for purchase at a nominal cost. Participants are encouraged to dress in attire from their favorite decade, so start thinking about what that might look like for you. Plan to come out for a fun evening of music, dancing, and food to support the church Building Fund.

Budget Update

As of the end of September, our 2025 General Fund Income is $292,119.29 and our Expenses are $310,035.43
We are behind $17,916.14

Do you know what you spend at the Grocery Store (Giant, Weis or Karns)?

Someone shared with me recently that they spent $600 at the grocery store—they were hoping it was for the month. We have a grocery card program that had that person used the grocery cards they purchased from the church—they would have still spent the $600 (unfortunately), but the church would have also received $30. Whoa! Instant contribution to support the ministries of the church. (You shop at the grocery store and they make a donation to the church. Awesome!)

Through the end of the third quarter of 2025, this program raised $2,361 for our church, of which $2,241 went to the Current Expenses Fund, and $120 to Half Day Play.

This is a significant decrease from the same period last year ($2,789). While there are many options for your grocery shopping, anytime you are shopping at Giant, Weis, or Karns, buying gift cards in advance of your shopping trip can benefit CPUCC. Five percent of your purchase of gift cards from these stores supports the ministry and mission of CPUCC. Gift cards are available in Fellowship Hall on Sunday mornings, or in the church office during the week.
Thank you for your support.

A simple thank you to all of those who have donated magazines to UPMC. They make a huge difference in helping patients in their recovery at the hospital!

Friday Fun with Friends and Tacos

Last year our first Friday Fun with Friends and Tacos was a blast! Attendees enjoyed a delicious taco dinner, baked goods for dessert, a 50/50 raffle, and the silent auction of many fabulous items, services, and experiences. We raised $3,695 for the Building Fund that night! It was so much fun we're planning to do it again!

This will be coming up on **Friday, November 21**. Tickets will be $10.00 per person for either beef or chicken tacos, and will be available the first three Sundays of November in the narthex. It's also not too late to donate items, talents, meals or whatever you can think of for this year's silent auction. If you are able to donate, please contact Patricia Kishpaugh (sunonthewater@mailfence.com) or Cindy Gnech at 717-991-4124 or cindygnech7@gmail.com. Thank you so much for your support!

On December 21, we will receive our offering for the UCC Christmas Fund. This fund has been caring for active and retired clergy and lay employees of the United Church of Christ for over 100 years, providing emergency grants, supplementation of small annuities and health premiums, and Christmas "Thank You" gift checks each December to our lower-income retirees.

Loose Change Sunday

Our next Loose Change Sunday will be held November 30. So far the six Loose Change Sundays which started back in the fall of 2024 have raised $1,667.59 for our church Building Fund. Coins, bills or checks are all welcome! Your support is greatly appreciated. And thank you to our children, youth, and young at heart "collectors" for their faithful participation!

Serving

In December we will also be collecting your tasty donations of **Christmas cookies for the Carlisle Truck Stop Ministry**. Deadline to be determined.
As always, thank you for your endless generosity in sharing and caring for our community.

Harrisburg Food Pantry

For the month of November, we are requesting macaroni & cheese, noodles of any kind, canned vegetables, and deodorant for the Harrisburg Area Food Pantry. For

Please stop by the grocery card table to **purchase a $5 or $10 Giant or Weis gift card for Kindred Place residents** as a Christmas gift. These will need to be delivered in early December.

We will be collecting **gravy packets for Bethesda Mission.** Look for a basket in the Narthex to place your donations.

Please continue to donate items for our Blessing Box. These donations directly benefit our local neighbors. You may place items directly in the Blessing Box anytime or in the Alcove.

You know how we celebrate "Loose Change Sunday" the last Sunday of odd-numbered months (Jan., Mar. etc.)? Well, we are planning for the last Sunday of even-months (Feb., Apr. etc.) to become ***Bounty of Blessings****, starting in October, where we encourage* ***every person attending worship to bring one item, can or box, of something for the Blessing Box.*** *We will receive them in worship by wagon or basket.*
Next: December 28, 2025.
(Just think our wagon will be overflowing with more than 50 items!)

THE GIVING TREE

The focus of the Giving Tree for December will be collecting items for Impact Ministries of Pennsylvania. There will be tags on the tree for items such as hats, gloves, mittens, socks, etc. Please take a tag and purchase items and place in the bins beneath the tree.

Impact Ministries of Pennsylvania is a local 501(c)3 nonprofit charitable organization that was formed to help the homeless population in downtown Harrisburg. We are working towards acquiring a building downtown that will be transformed into a homeless shelter that will not only house the homeless but will also help them with food and nutritional support, medical and mental health services, provide educational and job training programs, and provide monthly community days to help facilitate community involvement and interaction.

As we witness the growing challenges faced by the homeless community in downtown Harrisburg, our commitment to serving those in need has never been stronger. Our mission is to provide care and support to our neighbors who are struggling, and we are reaching out to you today because we believe in the power of collective efforts.

As always, thank you for your endless generosity in sharing and caring for our community.

Creation Justice
Roadless Rule

Maybe some of you have heard of the so-called, Roadless Rule. Enacted in 2001, the Roadless Area Conservation Rule (Roadless Rule) designated forests across the country as "inventoried roadless areas," prohibiting the building of new roads but also logging and other harmful industries such as oil and gas drilling on these lands. This regulation was created by the U.S. Forest Service to preserve parts of our National Forest network ensuring that these places of great ecological and recreational value remain open, accessible and mostly unchanged. The Forest Service itself was established during the presidency of Theodore Roosevelt with the goal of stewardship and preservation of the nation's forests, protecting downstream water quality and ensuring an orderly process for supplying timber.

The Roadless Rule protects 58.5 million acres of national forest spanning 39 states, ranging from Alaska to New Mexico, Oregon to Florida. These intact forest areas represent some of the last unfragmented stretches of our nation's wild land. Other than their distinct natural beauty, they provide other important functions such as keeping rivers and streams clean, cleansing the air we breathe and protecting important Indigenous sites They support entire ecosystems for wildlife to thrive, providing shelter for more than 220 species while also offering an abundance of recreational opportunities such as hiking, cycling, camping, hunting and fishing.

Unfortunately, in June of 2025, Secretary of Agriculture Brooke L. Rollins announced that her agency intends to rescind the Roadless Rule, which would be devastating. This issue is not about partisanship or politics. It's about keeping what's wild…wild for future generations to appreciate and enjoy as part of their national heritage, a promise that some places are too wild, too precious, too important to cut down.

Repeal of this key conservation tool goes against the best available science and overwhelming public opinion. Numerous organizations representing veterans, small business owners, wildland firefighters, hunting and fishing enthusiasts and Indigenous communities in addition to major environmental advocacy organizations including EarthJustice, Sierra Club, The Wilderness Society, National Wildlife Federation, Natural Resources Defense Council (NRDC) and others have expressed strong opposition to rescission of this longstanding rule while it proceeds through the rule-making process. Forests cannot speak for themselves but we can by supporting organizations with the credibility, expertise and resources to defend them.

ADULT Sunday School

ADULTS

All are welcome! Adult Sunday School is not divided by age or family group. Different classes have different styles and topics.

Library Class (discussion-oriented)
The Wired Word (Begins Sept.14th)
Lessons are crafted from current news stories. News is inevitable--whether it be good or bad. What better way to extract hope from the news than by juxtaposing Bible verses as tools to ponder and navigate our daily walk in Christian faith.

Chapel Group (presentation-style, Bible Study)
The chapel group uses The Present Word series. This Fall we will be invited to discover and appreciate how God, through prophets and other leaders, gave help and guidance to the people of Judah so that we may come to see the hand of God in our own lives and all human affairs.

Parlor Group (DVD and discussion)
The Parlor Class meets in the newly-renovated Parlor under the direction of Tom Feit. It is a time of growth and learning based on the video series of the season.

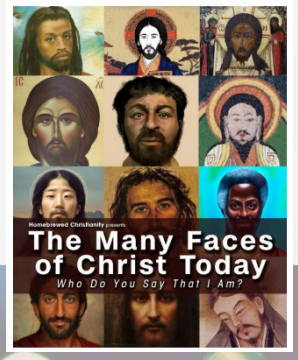

Don't forget...December 14th our young people lead the Lord's Prayer... as we enjoy the morning.

Pastor Cindy is looking for individuals or families to light our Advent Wreath Candles each week. Are you interested?

Join us for Advent as we insist on hope! This series gently invites us to identify where fear is present—both in the Advent story and in our lives—while also finding our way toward hope, with the angels' voices in our ears. Every Advent, we light candles, sing carols, and pray for Christ's coming because we believe God entered a frightened world to bring good news. We hold onto hope because we believe that Christ did come—that's the promise of the season. Our hope is not flimsy or fleeting. It's gritty, resilient, and can endure—no matter what we fear or face. This season, let us insist on hope and trust that good news is greater than fear.
