Completing Our Current Worship Series

Spiritual Affective Disorder (for Epiphany season) Seasonal Affective Disorder happens when a lack of sunlight affects our moods and ability to cope effectively. **Spiritual Affective Disorder** can also be a condition when we've had prolonged stress and life is disturbingly uncertain. What is our faithful response to our strained mental health? What if everyday life activities could become spiritual practices — deepening our experience of a meaningful life and helping us shine a light on the "blahs?" *(© www.worshipdesignstudio.com/SAD)*

Feb. 1 – "Make My Day" (Micah 6:1-8)
Feb. 8 – "Little Altars Everywhere" (Psalm 84 and Psalm 112:1-9) - Healing Service
Feb. 15 – "Get Up and Don't Be Afraid" (Matthew 17:1-9) – Transfiguration Sunday

Get Ready for Lent—"Tell Me Something Good" (sanctifiedart.org)

If we're being honest, we can easily distort or sanitize Jesus' teachings. Following Jesus leads to a richer, more expansive life, but it's not necessarily comfortable. We often describe Jesus' ministry as "radical" which comes from the Latin word "radicalis," meaning "root" or "ground."[1] Therefore, the good news should bring us back to our roots, back to what grounds us: loving our neighbor, caring for the vulnerable, pursuing justice and mercy, and resting in God's unending grace.

The good news is extravagant, untamed, illogical, and persistent. It is joyful—like fine wine saved for celebration. It grows like a mustard seed that flourishes rapidly into a tree to shelter the birds. It smells like expensive perfume poured from an alabaster jar and like crumbling bread passed endlessly through a hungry crowd. It sounds like children laughing and like stones dropped to the ground instead of violently thrown. It feels like feet washed with tender care. The good news is alive in the world.

The Charging Station

Held Sundays at 5pm, and different than our more "formal" Sunday morning worship service, The Charging Station is a perfect setting for those who are looking for a more casual, intimate worship experience. Music is upbeat and engaging. You won't find a formal sermon here, but rather will have the opportunity to be a part of "Holy Conversation," where we explore together how the Scriptures may speak to our lives. Keep up with activities at https://www.facebook.com/chargingstationhbg.

Lent/Easter Themes and Schedule:

Feb. 18 – Ash Wednesday – **"The Good News is… All are Invited"** (Luke 14:15-24)

March 1 – Second Sunday in Lent – **"The Good News is… great love for God and neighbor"** (Luke 7:36-50 and Matthew 25:35-40)

March 8 – Third Sunday in Lent – **"The Good News is… together the impossible is possible"** (Mark 6:32-44 and Ephesians 3:20-21)

March 15 – Fourth Sunday in Lent – **"The Good News is… protection and care for the vulnerable"** (Matthew 19:13-15 and Deuteronomy 24:17-22)

March 22 – Fifth Sunday in Lent – **"The Good News is… rooted in justice, mercy and faithfulness"** (John 8:2-11 and Matthew 23:23)

Grocery Cards

In 2025, the Giant/Weis/Karns gift card program raised $3,181 for CPUCC's ministry and mission. Of this, $3,017 supported our general Current Expense Fund, and $164 was earmarked for Half Day Play. If you are looking for an easy way to support your church in 2026, one of the easiest is to buy grocery cards for Giant, Weis or Karns on a regular basis. Five percent of your total purchase benefits CPUCC! So, if you buy $100 of gift cards, the church earns $5.00! It's super easy! Gift cards are available in Fellowship Hall on Sunday mornings, or in the church office during the week. Thank you for your support.

In Recognition

Do you want to recognize an important person in your life, living or deceased, and say "thank you" to God for them while at the same time furthering CPUCC's ministry and mission? For each $15 sponsorship, a notice will be placed in that week's bulletin. You can sign up and pay for dates on-line or dates can be reserved and paid for by contacting the church office.

Rejoice, Renew, Revive Capital Campaign

Through the end of December, 2025, our Capital Campaign Rejoice, Renew, Revive has raised $505,895.44. The remaining balance available for expenditures is $15,473.72. Various projects are being considered for these funds. Thank you for your ongoing support!

Dreaming God's Dream

NO GIFT TOO SMALL, NO DREAM TOO BIG.

DREAMING GOD'S DREAM

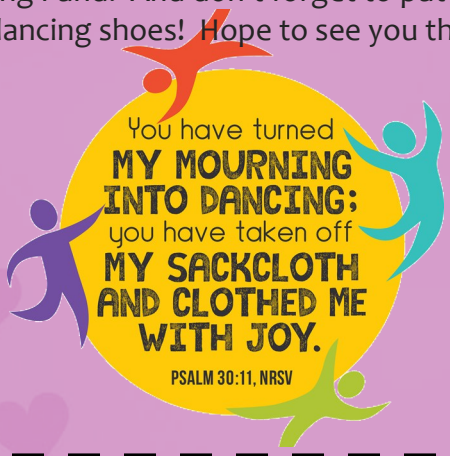

Dreams are an important way God communicates with God's children. For example, we recently celebrated Epiphany, which commemorates the visit of the Magi to pay homage to the Messiah, baby Jesus. After their visit, they had a dream that they should not return to Herod, and so they left for their own country a different way. After that, an angel of the Lord appeared to Joseph in a dream and told him to take Mary and Jesus and flee to Egypt because Herod was about to search for the baby, in order to kill him. Dreams can be both nighttime or daytime events, but either can provide a message from God. A daytime dream may be a goal or project God is planting in your heart. Listen to your heart and your dreams – it could be God speaking to you!

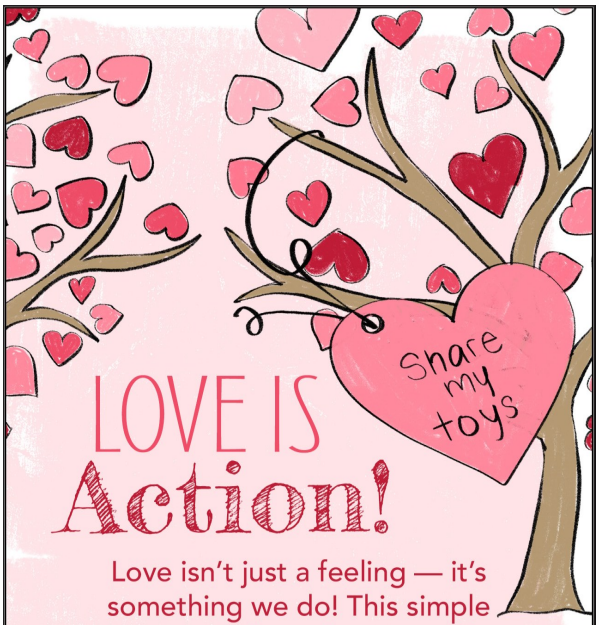

CPUCC
BRIDGE TO TOMORROW

Decades Dance

The Decades Dance originally planned for January 23 has been rescheduled until **March 20.** That will give you more time to submit music requests (send to Lisa Nybeck at lnybeck@comcast.net), plan your wardrobe for the evening to reflect your favorite decade, and practice your dance moves! Tickets are only $5.00 and will be available beginning in March. Plan to come out for a fun evening of music, dancing, and snacks to support the church Building Fund. And don't forget to put on your dancing shoes! Hope to see you then!

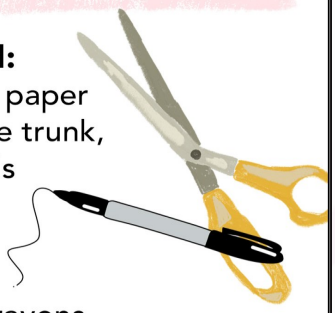

LOVE IS Action!

Love isn't just a feeling — it's something we do! This simple activity reminds us that acts of love, big or small, can grow and bless others.

What you need:

- Construction paper (brown for the trunk, pinks and reds for hearts)
- Scissors
- Glue or tape
- Markers or crayons

What you do:

1. Cut a large tree trunk and branches out of brown paper and glue it onto a sheet of paper or poster board.
2. Use colorful paper to cut several hearts — these will be your "leaves."
3. On each heart, write loving actions like "share my toys," "pray for others," or "help clean up."
4. Glue the hearts onto the branches to create a full, love-filled tree.
5. Hang it somewhere visible as a reminder to put love into action every day!

Meet the Member – Helen Ferguson

Helen Ferguson joined CPUCC in the 1960s after a friend invited her to join her for church services. When Helen got there, she was surprised to see that one of her best friends from college, Dee Nelson, was a member.
Kendall Link was the pastor at the time, and she instantly liked him as well as his wife, Jody. It was then that Helen started her long-time volunteerism and commitment at CPUCC.
The preschool program, Half Day Play, started and Helen became a teacher and then later the director. While director, the program grew so much that it had to expand into the Baptist Church for more space.
"As the years passed, mothers started working outside the home and needed childcare all day. Our numbers dropped but the program continued," she said. "Linda Bender now serves as director."

Helen was born in Rexmont, Pennsylvania in a house that her parents built. When she was just a young child, her father broke his leg while working in the Cornwall Ore Mines. Since there was no worker's compensation then, her father and grandfather decided to raise chickens to sell.
"We moved from that 'new house' to a derelict farm in Annville, PA with my grandparents. Can you imagine how this must have felt to my mother – moving from a new home to a farm with no electricity, no running water, an outhouse, and living with in-laws," asked Helen.

The family raised all their own food as well as vegetables for Campbell's Soup company. After many years, the chicken business gave way to her father's passion - everything for horse and rider by opening a very successful tack shop. Horses have always been a part of Helen's life. She was on a horse before she was a year old.

When it was time for college, Helen really wanted to become a veterinarian, but because she had always been conscious of money, she chose to get her degree in teaching because it was a cheaper education choice.
Her first teaching job was in a four-room school in Quentin, PA. Helen taught the third and fourth grade students – a room with 47 students! She later moved on to teach kindergarten at Annville Elementary.
Helen and her husband, Charles "Ferg", then moved to a pre-civil war house in Harrisburg that better suited their collection of antiques. That required them to leave their Lebanon County jobs and teach in the Central Dauphin district.

"I started the Kindergartens at West Hanover Elementary," she said. "I had to quit teaching when I became pregnant for the first time since pregnant women were not allowed to teach!"

An opportunity for her husband to teach in England, took the couple and their sons Sean and Jamie to Europe. When the position was finished, the family purchased a camper and traveled throughout Europe.
Helen later taught at Cedar Crest Middle School for 12 years in their gifted program before Central Dauphin Schools contacted her to come to start a gifted program in Swatara Junior High. She retired in 2001.
She is also grandmother to three grandchildren – Aidan, Charlotte, and Drew.

Helen spoke about how the Devonshire Fair was such a "total church" event and how so many people spent so many hours preparing. But when COVID came along and the event couldn't take place, the committee decided to stop holding it. The question was then – where do we go from there?
Helen suggested running a thrift shop in its place.
"Did I ever make a big error!" she said. "Too much work for the Fair? Multiply that by about a hundred or a thousand and you have the amount of work the thrift shoppe entails."

(See more about the Ye Olde Devonshire Thrift Shoppe in the sidebar on the next page.)

Helen taught Sunday School at CPUCC. She worked with Peggy Kreiser teaching the four-year-olds for many years before the sports programs took over Sunday mornings. She has also led one of the adult Sunday School classes.

When asked about her thoughts

Continued on next page

Continued from previous page

about CPUCC, Helen says she loves her church.

"I love the fact that 'no matter where you are on life's journey, you are welcome here,'" she said. "Having a grandson who is autistic and gay, I know he is always welcome in my church. We are so fortunate to have Scott as our musical director. Scott was my grandson's first piano teacher, and they formed a bond."

She also admires Pastor Cindy.
"I remember when she first came here, she got in the dunk tank at the music festival. She operated the dishwasher after a potluck dinner. No one works harder that Pastor Cindy. She manages to get 35 hours of work into a 24-hour day," she said. "And talk about being on top of everything! Have you ever seen her desk? I'll bet she can find what she is looking for in a split second! We are so fortunate to have Pastors Scott and Cindy here at Colonial Park United Church of Christ!"

And we are all fortunate to have Helen Ferguson as well.

IN CASE OF INCLEMENT WEATHER…

Please note that if CPUCC worship or activities are canceled due to weather (snow & ice), we will get the word out via…

- TV—Abc27 Snow Watch
- Email to the congregation
- On our Facebook page

Also, please note that Half Day Play and Ye Olde Devonshire Thrift Shoppe will be closed when Central Dauphin School District is closed or declares "online learning only" due to weather.

What You May Not Know About the Thrift Shoppe

Helen explained…

"Ralph Marcus was instrumental in getting the Thrift Shop up and running. We decided that the proceeds would benefit local charities and CPUCC. My goal was to raise $400 per week for the 12 hours the Shoppe is open. We have always far exceeded that goal. We donate $25,000 to CPUCC and many thousands to other missions.

The Shop has proven to be a haven for the CPUCC community. There are many people who come every day that we are open. They don't buy things every day, but they enjoy socializing there. Needy people can choose what they need at no cost.

It takes many people to run the shop. Several of our regular workers are not even members of CPUCC. There is so much work setting up for the Shop and tearing down when we close. We are constantly shorthanded for workers.
We have had volunteers from the boy scouts and the Autistic School. Anyone who is willing to lend a hand, just show up. We will find something for you to do."

CHILDREN'S Sunday School

CHILDREN & YOUTH

J.A.M. (Jesus and Me) – for toddlers to Kindergarten Walkers through Kindergarten are welcome for stories, crafts, a snack, and lots of play time in the preschool room next to the Library. Preferred if a parent can stay with young children.

Crosswalkers (grades 1 - 5) Our Crosswalkers class did a terrific job in leading us in the Lord's Prayer on December 14, and participating in worship, including ringing bells. As we start 2026, we will be covering some biblical characters such as David and Goliath and ones less known, such as Meschah, Shadrach and Abednego. The Jolly Jinglers will continue to practice with Pastor Scott during the last 20 minutes of Sunday School. In addition to all of this, we'll be working on mini mission projects, and will even have some time to play together with our new Nintendo Switch!

Pathfinders: Grades 6-12—Pastor Cindy leads our Pathfinders. We have time for connecting and games, as well as videos, and a new curriculum from the Youth Cartel which looks at stories from the Bible as one over-arching story of faith. For a few weeks in February, we will be painting a mural in the hallway of the lower level. (see pic at right)

ADULT Sunday School

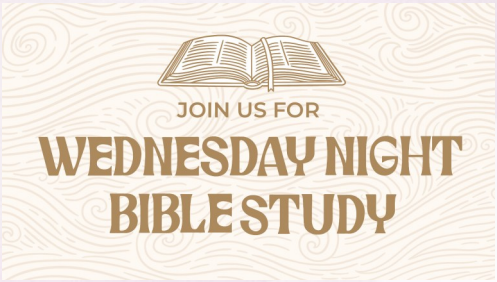

ADULTS

All are welcome! Adult Sunday School is not divided by age or family group. Different classes have different styles and topics.

Library Class (discussion-oriented)
The Wired Word—Lessons are crafted from current news stories. News is inevitable--whether it be good or bad. What better way to extract hope from the news than by juxtaposing Bible verses as tools to ponder and navigate our daily walk in Christian faith.

Chapel Group (presentation-style, Bible Study)
The chapel group uses The Present Word series. This winter quarter we will explore the essential teachings of the Bible in relation to defining elements of our Christian faith - the Holy Scriptures, Grace and reconciliation, and the Church and its teachings.

Parlor Group (DVD and discussion)
The Parlor Class meets in the newly-renovated Parlor under the direction of Tom Feit. It is a time of growth and learning based on the video series of the season.

We have a Wednesday Night Bible Study for Young Adults in our church Parlor at 7:30pm.

This season we are looking at how the Bible was formed and what it means to us.

Please note: Because of Pastor Cindy's schedule, we are not able to meet every week. So, please let her know of your interest to make sure that you are on the communications about when it is occurring.

We will reconnect in February on the 4th, 11th and 25th. The 18th is Ash Wednesday (our service is at 7pm in the Fellowship Hall).

Our Next Step Morsels conversations will take place the ***2nd Saturday of the Spring months, at 10am in person in the church Parlor and online (zoom).***

In 2026, we will be discussing *Life After Doom* by Brian McLaren.

For the last quarter-century, author and activist Brian D. McLaren has been writing at the intersection of religious faith and contemporary culture. In Life After Doom, he engages with the catastrophic failure of both our religious and political leaders to address the dominant realities of our time: ecological overshoot, economic injustice, and the increasing likelihood of civilizational collapse. McLaren defines doom as the "un-peaceful, uneasy, unwanted feeling" that "we humans have made a mess of our civilization and our planet, and not enough of us seem to care enough to change deeply enough or quickly enough to save ourselves."

Blending insights from philosophers, poets, scientists, and theologians, Life After Doom explores the complexity of hope, the necessity of grief, and the need for new ways of thinking, becoming, and belonging in turbulent times. If you want to help yourself, your family, and the communities to which you belong to find courage and resilience for the deeply challenging times that are upon us — this is the book you need right now.

Gathering Dates: Feb. 14, Mar. 14, Apr. 11, and May 9

Whether you're inside or outside the institution, these films offer a conversation for the spiritually curious and the spiritually restless. For the seekers, doubters, and dreamers—this is for you.
