Juneteenth: Freedom Delayed, But Not Denied

On June 19, 1865 — more than two years after President Lincoln's Emancipation Proclamation — Union soldiers arrived in Galveston, Texas, to deliver a message that had been withheld far too long: enslaved people were free. The day we now know as Juneteenth marks that moment when the promise of freedom finally reached those for whom it was meant.

For people of faith, Juneteenth is not simply a history lesson. It is a mirror.

The God we worship is a God of liberation. From Moses leading the Israelites out of Egypt, to Mary's Magnificat proclaiming that the mighty will be brought down and the humble lifted up, to Jesus reading from Isaiah in the synagogue — "*The Spirit of the Lord is upon me, because he has anointed me to proclaim good news to the poor... to set the oppressed free*" (Luke 4:18) — Scripture is woven through with God's fierce insistence that freedom matters, that dignity matters, that no human being is the property of another.

The story of Juneteenth reminds us that laws on paper do not automatically become justice in lived experience. Freedom was declared in January 1863. But in Galveston, Texas, it did not arrive until June 1865 — and even then, only because soldiers came to enforce it. How many other freedoms have been declared but not yet delivered? How many people still wait for promises to reach them?

As a congregation rooted in the United Church of Christ's commitment to justice and the extravagant welcome of all people, we are called to sit with that question — not comfortably, but faithfully.

Juneteenth invites us to celebrate genuine freedom while remaining honest about the distance between promise and reality. It calls us to remember that the work of liberation is communal work — it required people to *go* to Galveston. It requires people to show up today, too.

This June, as we mark the 161st anniversary of that day in Galveston, may we give thanks for those who carried freedom's news when it was long overdue. And may we ask ourselves: *Where is God calling us to carry it now?*

SUMMER CAMP

HC Spirit Camp

Registration is now open for **HC Spirit Camp**, hosted at Hartman Center Campground, Milroy, PA, the former camp home of Penn Central Conference. The folks who operate the now-campground welcome us for a week each summer. The camp community can share their treasured memories while making new ones with young and new campers, and experience and celebrate the new mission and growth of the property.

The theme for HC Spirit 2026 is "In the Wilderness." The camp community will be challenged to see wilderness in action not only in nature, but in our relationships, decision-making, discoveries and visions for God's future. Camp runs from July 26 - August 1, 2026.

Website and registration can be found at https://hcspiritcamp.org/

Meet The Member – Priscilla Fledderjohn

Priscilla Fledderjohn has deep roots at the Colonial Park United Church of Christ.
You see, she has generations of connections – five generations to be exact.

Priscilla's grandparents were among the first members of the old church on Arlington Avenue back in 1925. Her mother was baptized, confirmed, and married at CPUCC. Priscilla was also baptized, confirmed, and married here. Then we move on to her son, Bret, and then HIS son. You can see just how deep those roots are, building a strong foundation of love and faith.

Her sense of service in the church started when she was a young person. She worked alongside her grandmother and many other ladies working in the church kitchen.

"We served the famous chicken pot pie dinners," she remembers. "They helped to pay off the new church mortgage.

But all that cooking wasn't the only way Priscilla

served the church. She was on the original board establishing the Half Day Play program. She has served as a lay reader, as a member on the church council, and is now the head of the altar guild and the current financial secretary. She provides much appreciated assistance with the funeral luncheon committee and through her work in the Thrift Store.

A very special project Priscilla works on with Steve Burkholder is the maintenance of the Memorial Garden. The Garden is so meaningful to Priscilla because it is where her late husband, Ed, who she was married to for 58 years, and her mother are both buried.

Ed and Priscilla were true partners. Besides their life building a home and being parents, they worked together on many jobs. They managed Valley Green Golf Course, owned two Mail Boxes, Etc (now the UPS Stores), and Priscilla continued working in the banking industry after Ed retired. "We loved our customers and always made friends along the way," she said.

When Priscilla was asked about her thoughts on her many years of being a member at Colonial Park UCC, she paused to think.
"This church is a part of my being. People from the past and present have made me who I am," she said. "I am so blessed to be part of this congregation."

And we are blessed to have Priscilla in our CPUCC family.

Can we borrow some of your gardening and painting tools for Friday 6/5?

On Friday, June 5th about 15 people from the **Deloitte** company will be coming to CPUCC to do some work as part of a wonderful community service program called **Impact Day**.

The activities they'll be working on include:

- Remove weeds and debris from the flower beds surrounding the church building.
- Spread traditional mulch (tan bark) in the flower beds in the front of the church, in the island bed in the parking lot, in the area of the Memorial Garden, and in the front of the parsonage.
- Clean up/rake up leaves & debris around the property and place into recycle bags &/or into a cart to be taken to a compost facility for recycle.
- Trim bushes around the property where needed.
- Weed-Wack grass and weeds growing up along the parking lot curbing and along other building structures.
- Lay a 3' wide x 28' long paver path between the edge of the garage driveway to the edge of the parsonage sidewalk.
- Paint the upstairs hallway just outside of the Half Day Play classrooms.

In order to complete these activities, Deloitte has asked if we can provide the necessary tools to do the work. Below is a list of tools that are needed. It would be very much appreciated if you would be able to loan the team any of the following tools for just that one day.

MusicFest—Aug.29

Seeking Support

Plans are underway for the CPUCC Music Festival.
Mark your calendars for August 29!

The committee has decided that instead of food trucks this year, the kitchen crew will prepare treats for the festival. But we need your help.

Congregation members can help by donating either cash or Karns gift cards to be used to purchase what is needed for the event. Just a reminder – you can pick up Karns gift cards in the Fellowship Hall before and after Sunday services. Look for the container outside the sanctuary to place your donation.

Thank you for all your support and we look forward to dancing and singing along with you on August 29.

Take the Stage

Are you a budding musician? Maybe you play the guitar, harmonica, or sing. If so, you NEED a stage!

The CPUCC Music Festival is coming up on August 29. There will be bands, but the festival committee is seeking out members to be the opening acts. Who knows, there could be a talent scout there and you'll be discovered!

If you are interested in participating, please contact Rick Cochran at rickcochrancpucc@gmail.com.

Thank You, Pastor Scott, and our Sanctuary Choir, for an amazing Music Sunday!

Dreaming God's Dream

NO GIFT TOO SMALL, NO DREAM TOO BIG.

In mid-May, the Guideposts Daily Scripture and Reflection newsletter had a theme of serving with a joyful heart. The Bible verse was the NIV translation of 1 Peter 4:10 – Each of you should use whatever gift you have received to serve others, as faithful stewards of God's grace in its various forms. They also shared a quote from the Rev. Martin Luther King, Jr. – "Life's most persistent and urgent question is 'What are you doing for others?'" The action step for the day (really, EVERY day!) was to encourage someone, with a smile, a word, a note, or a simple act of care, because you never know how God may use it to lift their heart. You've heard it said to be kind to everyone you meet, because everyone is going through something in their lives, and we don't always know how heavy a burden they are carrying. YOU could be the person to remind them of God's love simply by your caring and compassionate words and actions. I think God dreams that we all live that way every day.

Rejoice, Renew, Revive Capital Campaign

Through the end of April 2026, our Capital Campaign Rejoice, Renew, Revive has raised $508,644.42. Currently, the Capital Campaign is funding an additional camera in the sanctuary to enhance our live-streaming capabilities as well as cameras for security upgrades. Thank you for your ongoing support!

Grocery Cards

Calling all shoppers! As you prepare for graduations, Father's Day, and summer barbeques, help support our church through your grocery purchases at Giant, Karns and Weis. Just stop at the table in Fellowship Hall any Sunday, or in the office during the week to buy gift cards in any denomination from these three stores. Then watch how the church benefits from your participation! Thank you for your ongoing support!

Gift Cards Galore

The spring Gift Cards Galore program raised $204.05 for the church's Current Expenses fund. Since the program began in 2016 it has raised $4,981.94 for CPUCC. Thank you to all our loyal supporters!

In Recognition

Do you want to recognize an important person in your life, living or deceased, and say "thank you" to God for them while at the same time furthering CPUCC's ministry and mission? For each $15 sponsorship, a notice will be placed in that week's bulletin. You can sign up and pay for dates on-line or dates can be reserved and paid for by contacting the church office.

THE GIVING TREE
"TAKE ONE, GIVE ONE"
This month, we will be collecting: Items for Bethesda Mission Men's Shelter

When a person enters Bethesda Men's Mission, they are pointed to Jesus. They are encouraged to enter into a life transforming relationship with Him that will affect every aspect of their life. We believe that the answer for the men here at the mission is more than just obtaining income and housing. Our goal is to see true *Life Recovery* in all aspects of their lives.

When a person comes to Bethesda, they first complete an assessment, and then are connected to a Life Coach who uses it to identify areas in which the guest needs help. Together they develop goals to address these areas.

Examples of areas a guest may work on with their Life Coach are: Addictions, Mental Health, Medical & Dental issues, Life Skills, Housing, Employment, Veteran Services, Christian Spiritual Guidance.

Some of the items needed are: White t-shirts, shaving cream, razors, shampoo, body wash, toothpaste, large-print Bibles.

Please take a tag from the tree and purchase the items listed. Place your items in the bins under the Giving Tree.

Harrisburg Area Food Pantry

For the month of June, we are requesting canned fruit, or fruit and/or applesauce cups, macaroni & cheese, canned pasta like Spagettios, or Chef Boyardee, and deodorant for the Harrisburg Area Food Pantry. You may place items in the grocery cart.

Blessing Box

Please continue to donate items for our Blessing Box. These donations directly benefit our local neighbors. You may place items directly in the Blessing Box anytime or in the Alcove. We have also placed a basket in the Narthex to receive donations.

June 28th is our next "Bounty of Blessings" Sunday, please bring one non-perishable item or toiletry item to keep our Blessing Box inventory stocked.

THANK YOU!

Thank you to everyone that donated Church World Service Hygiene Kits. We collected 50 assembled kits and $244 toward shipping costs.

Thank you, Kevin Howard, and everyone who donated $5 for a larger print Bible for Bethesda.

We were able to purchase **40 Bibles** and the Thrift Shoppe donated $200 to the Mission.

Ye Olde Devonshire Thrift Shoppe News

The Thrift Shop is bursting at the seams! The amount of wonderful donations continue to pour in. We simply do not have the space to display them. We line up tables all along the walk, have three sheds, the garage, the parsonage and the parking lot and still we cannot display everything. Recently the "jewelry guy" visited and bought our scrap gold and sterling silver. He gave us $1108 for the tiny bit of things we had. He has done this for CPUCC since the first days of the bazaar.

We continue to send things that we cannot use to Community Aid. Thank goodness for Denny Bender who transports all the stuff to Community Aid. The church received a check for $1800.93 from Community Aid for our donations and the collection boxes on the premises. The Shop donated $500 to The Central Pa Food Bank in keeping with the conference request for food donations. The Shop has donated $500 toward the purchase of cameras for the enhanced security for the church. We sent $500 to Trinity UCC to help with the clean up following their fire. We donated another $5000 to CPUCC.

It becomes difficult to get enough help during the summer months due to vacations, etc. We have had several new volunteers for which we are very grateful but the need for volunteers is always present. The men who help with set up and tear down and carrying heavy things are the best. We could not operate without Steve Burkholder, Tom Bay, Kevin Howard, Kevin Krause, Dennis Snyder, Denny Bender, Larry Porter and Dave Harris. Steve Burkholder has become the "driver" for the Shop. He delivers things, picks up things, etc. I am sure there are days when he wishes he did not have a truck!

There are days when I hear much laughter from the workers and the shoppers. It is such a joy to hear that! The community enjoys the bargains and the camaraderie.

The Shop could not operate without Linda Bender and Priscilla Fledderjohn. They are the "take charge" engines that keep the Shop operating.

A very big THANK YOU to all involved with the Thrift Shop!

Creation Justice
Laudato Si' Movement

The Laudato Si' Movement (LSM) is a worldwide network of 900 Catholic organizations and more than 10,000 trained grassroots leaders known as Laudato Si' Animators. Founded in the Philippines in January 2015 during Pope Francis' visit, it was originally called the Global Catholic Climate Movement and renamed in 2021 to more accurately reflect its mission. LSM's core goal is to inspire and mobilize the Catholic community to care for our common home and achieve climate and ecological justice.

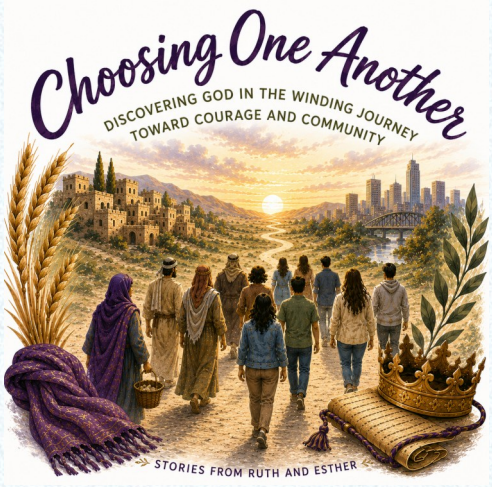

The inspiration of this movement came from Pope Francis' encyclical letter of 2015 entitled **Laudato Si'** (Praise Be to You) which itself is based on the canticle of Saint Francis of Assisi who refers to the Earth, Mother Earth, as our Sister with whom we share our life. For Saint Francis every creature was a sister united to him by bonds of affection. Laudato Si' is a major document addressing the interconnection of ecological, economic and social justice with God as the Creator of our common home entrusted to us.

LSM emphasizes "ecological conversion", a process of transforming hearts and minds toward greater love for God, creation, and each other. The movement promotes a **culture of care** for all living beings and urges action for ecological and climate justice, guided by Catholic Social Teaching and Scripture. It represents a faith-driven approach to environmental stewardship, combining spiritual reflection with practical action to address climate change, protect biodiversity, and promote justice for vulnerable communities through education, advocacy, and community engagement. Each year at the end of May, Laudato Si' Week is celebrated to renew participants' commitment to care for creation.

Series: Choosing One Another

Discovering God in the winding journey toward courage and community

After Pentecost, we journey into the powerful biblical stories of Ruth and Esther — stories of grief and resilience, courage and community, hiddenness and hope. In these ancient texts, God is rarely loud or obvious. Instead, God is discovered in winding journeys, unexpected relationships, quiet acts of courage, shared bread, risky compassion, and people choosing one another again and again.

Like a labyrinth path, these stories do not move in straight lines. They spiral through loss and belonging, fear and bravery, silence and voice. Along the way, Ruth, Naomi, and Esther remind us that faith is often formed not through certainty, but through companionship, persistence, and the courage to keep moving forward together. Join us for this six-week worship series as we explore how ordinary people helped shape the future through love, solidarity, wisdom, and hope — and how we might discover God still meeting us along the way.

Pastor Cindy will be away on vacation June 5-19, 2026. Pastor Scott will be on call for pastoral emergencies. Pastor Scott will preach June 7, and Mitch Amago, Member-in-Discernment, will preach on June 14.

No Sunday School over the Summer?

Wait! There's More!

Pastor Cindy plans to lead a Summer Sunday Study (11am):

Change Encounters: Rediscovering Paul

Building communities shaped by love

This summer, we're taking a fresh look at one of the most influential—and often misunderstood—figures in the Christian tradition: the Apostle Paul.

Through short videos, Scripture, and open conversation, we'll explore how Paul's life and letters invite us into change—within ourselves, in our communities, and in the world around us.

Each week, we'll consider a different kind of "change encounter"—moments that challenge assumptions, expand our understanding, and call us into deeper love. No prior knowledge needed. Come for one week or all eight. All are welcome.

June 28—A Change Encounter with PAUL
July 5—A Change Encounter with EMPIRE
July 12—A Change Encounter WITHIN
July 19—A Change Encounter with COMMUNITY
July 26—NO SESSION
August 2—A Change Encounter with DIFFERENCE
August 9—A Change Encounter with SCRIPTURE
